

Re: Michael Shawn Campbell
To The Honorable Myron Thompson
2/25/2007

My name is Cleave Bowman , I work at Pemco in Daleville . I live in Dothan Al. I am writing on behalf of Michael Shawn Campbell.

I have known Michael and his family for the past 12 years. He has two beautiful children named Jazman and Austin.

He has always taught his kids to have respect for others . For as long as I have known him he has always

been a provider for his family. Michael has always work and supported his children. He has always been a good person.

Michael has never been in any kind of trouble over the years. he has always had his kids involved in christian activities

since they were old enough to play, He has always made sure they were clean and neat in appearances also.

Michael has always had respect for others. We don't know what went wrong in this matter but this is not like Micheal

he is a good, loving father . michael has lost a lot since he has been in incarceration , he has lost his family, wife, children and career.

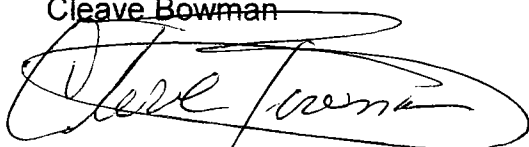

So your Honor I hope that you will keep in consideration on sentencing day that michael has good morals and that we all miss

him and that he has not never been in any kind of trouble in his 28 years and that you may consider the time away and also the closest

place for his family to visit . I want to thank you very much for taking this time out of your busy day to read my letter .

Sincerely,

Cleave Bowman
